

For all Team Secretaries

Would you please help to ensure that the competitions go off as smoothly as possible by assisting in the following:-

1) Remind all your team that to be included in the draw they must be at their alley and report to the alley steward before 8-30. To turn up late will mean that they will not be able to play.

2) If your alley is one of the selected venues would you please make sure it is free for that night and a decent set of pins and balls are available. These should be your normal match pins and balls. Any problems with this please ring John Webb or Trevor Robinson ASAP.

3) If any of your team are to act as **alley steward please give them a copy of this sheet** and the list of players on that alley. If extra copies are required please ring John Webb.
