

Would you please help to ensure that the competitions go off as smoothly as possible by assisting in the following:-

- 1) Remind all of your players that to be included in the draw they must be at their alley and report to the alley steward before 8-30. To turn up late will mean they will not be able to play.
- 2) If your alley is one of the venues would you please make sure that a decent set of pins and balls are available, these should be your normal match pins and balls.
- 3) If any of your team are to act as alley steward please give them a copy of the draw sheet and the draw format.

Any problems please give John Webb or Trevor Robinson a ring.
